President's Report.

Gentlemen.

The 1964 Rugby League season was a most successful one in many respects for this Association. The most notable being the appointment of Mr.K.Hubuck to referee the Final of the Jersey Flegg Cup. Congratulations Ken. In addition and by no means the least notable was the refereeing ability of the association as a whole, particularly the junior referees, who surprised the most ardent critic of the game by their outstanding displays throughout the season. Let us not become complacent but strive for even a higher standard next year.

I would like to extend my congratulations to all members who were appointed to semi-finals, finals and grand finals, President Cup and Jersey Flegg Competitions during season 1964.

May I express my appreciation to the Executive members of the Association- Bert Cowley, Brian Barry, Geoff McManus and Ken Hubuck for the excellent job they have done during the year and to the members generally for their support and loyalty. I would like also to thank Mr.R. McKinnon, Mr.H.Forbes, President and Secretary of the N.S.D. R.L.F.C. and their committee; Mr.Thompson and Mr.Carey. President and Secretary of the N.S.D.J.R.L.F.A. and their committee; Mr.Dawson, Secretary-Manager of N.S.L.C and his staff for their courtesies and co-operation during the year.

Secretary's Report.

Mr.President & Gentlemen.

On behalf of the committee I have much pleasure in presenting for your consideration and adoption the 33rd. Annual Report and Financial Statement for Season 1964.

The season was one of the best in the history of the Association, the standard of refereeing was of a very high grade. It was most pleasing to note the standard of the young referees who had control of the newly formed under 13 years competition.

The membership of the Association totalled 39, we lost three from the previous season but gained three new members.

The meetings of the Association were held in the North Sydney Leagues Club. To the management we extend our sincere thanks; under adverse conditions in the new club we were always made welcome. The attendance for the season was 69%. We are pleased to report that the Club has been made available for 1965.

The relationship between the two clubs was again on a very high plane, both were always ready to forward any needed assistance.

Although the District Club was not successful in winning a competition all three grades played good football.

The Association extends its congratulations to the following players who gained representative honours, Messrs.F.Griffiths, K.Irvine, R.Warner and L.Dielt.

This report would be incomplete if mention was not made of the honour bestowed upon Mr.Ted Ken "Life Membership" of both clubs. To Ted we offer our sincere congratulations, having had his company at our social functions most members know the work he does for Rugby League in the North Sydney district. Also as social secretary along with Jim Francis, to whom we extend a speedy recovery from recent illness.

Secty's Report (cont'd)

The Leagues Club is to be commended on their new premises, also for making space available to hold our meetings.

To both Clubs we extend sincere thanks for cordial invitations extended to the executive committee to attend social functions during the year.

Junior League.

The Junior League conducted competitions in three senior grades and one juvenile G Grade, teams of the D & F Grades were played in the Manly Warringah and Balmain Districts.

The introduction of the "G" Grade competition proved most successful, the football played by these boys was most enlightening. The Grand Final was worthy of any grade final. To all clubs we offer congratulations for a most successful season.

A further competition under the control of the Junior League was conducted, that being the North Sydney Churches. The football played was very encouraging and at the end of the season a fixture was played against Queensland Churches. This fixture proved an outstanding success.

The Junior League entered teams in the Presidents Cup and Jersey Flegg Competitions. The Presidents Cup team was thought to have an excellent chance of winning but plans did not work out.

The Annual Schools Carnival was conducted at Waitara Oval where some good football was played. To the various division winners we extend our congratulations.

The Gala Day was conducted at Mosman Oval with eight teams participating, the competition was eventually won by Crows Nest.

To your delegate Mr. J. Croke we admire for his interest shown in the associations affairs, it was also pleasing to welcome the Assistant Secretary Mr. J. Kohne on many occasions.

Congratulations.

The committee extends congratulations to the following members for various events.

Mr. K. Hubbuck on receipt of the R. Purcell Trophy. Master M. McKenzie, the most outstanding School Boy Referee.

Messrs. Barry, Chapman, Montgomery and Tinsley who attained grade honours.

Messrs. Chapman, Hubbuck, and Massingham on Presidents Cup and Jersey Flegg appointments, K. Hubbuck who controlled the Final of the Flegg Competition and all Junior Referees who controlled Grand Finals etc.

To J. Massingham who announced his engagement to Miss Diane Duffy.

Social.

During the Season we conducted several convivial evenings at the conclusion of the meeting when lectures were given.

The Annual Smoko was again a great success, your committee extends thanks to the social secretary and his band of workers for a most successful night.

Besides the Annual Function the Association conducted a number of social days such as Indoor Bowls, Cricket and Golf.

To the following Clubs we extend our thanks and appreciation for the cordial invitations to members and their visitors, Gladesville Sports Club, Indoor Bowls & Cricket; Anthony Horderns, North Sydney Anzac Club Indoor Bowls; Grace Bros., Cricket; Springwood Country Club, Golf; Asquith Sports Club, Cricket.

To the Asquith Sports Club we are most appreciated for the function put on for members and visitors; this function will now become an annual event. It sealed the friendship of both Clubs (as should exist when off the playing field) both socially and financially. Ask Masso.

Vale.

To Mr. W. Buckley President of N.S.W.R.L. (Father.)
Mrs. Hannigan, husband-curator of North Sydney Oval.
