# Presidents Report

*"Mm..mm, they won't  
let me go past"*

Fellow Members

It is with pleasure and pride that we can look back on the 1987 season. Once again North Sydney Referees have made significant contributions to the development of the Game. Obviously, the rewards have come to those who have been most consistent in their endeavours.

Probably the greatest recognition of all came late in the year with one of our life members, John Quinn, gaining the distinction of becoming a life member of the District Club.

A successful grade season was capped by the appointment of Steve Betts and Vince Smith to the Reserve Grade Grand Final.

Tony Brown joined our Association's Roll of Life Members.

Many of the Association's activities would not have been possible without the support of our sponsor, Hayden Harvey. The members showed their appreciation by making Hayden an Honorary Associate Member for Life.

A special thank you must go to the Executive of the N.S.W. Referees' Association for their assistance and guidance throughout the season.

Our new Social Secretary, Martin Ryan, approached his duties with great energy and innovation. Martin and his committee were keen to try new ventures as well as consolidate on the 'Old Favourites'. Consequently, the 1987 social season was a success and 1988 is looking good with an enthusiastic committee working on the 'Past and Present' night.

My closing remarks acknowledge the labours of my fellow executive, Brian and Steve, and the Office Bearers of our Association. Thank you for your contributions to an enjoyable year. To all members, thank you for the privilege of having served another year as your President.

COLIN JONES

# Patrons Report

Congratulations to the Executive and Members of the Association for their excellent endeavours and more especially their splendid achievements during the past year.

The efforts of:

- 1) the executive handling the Association affairs
- 2) the sponsorship committee with the continued Hayden Harvey support
- 3) the coaching panel for the intake of new members and the on-field improvement of existing members
- 4) the active members who:
  - a. tried hard but didn't quite realise their ideals, or
  - b. reached the high goals in both senior and junior football

all show just how much the Association has grown and the keenness that each member carries towards refereeing.

It is to be hoped that this keenness and willingness to help carries into the future years for the betterment of the Association and its members.

With you in refereeing.

# Secretarys Report

The 1987 season was to start with a group of referees lacking in experience, but not ability. It needed a lot of hard work from the Coaching Division of our Association, dedication from the referee before we would fill all requirements that the Junior League and District Development Section would put before us.

With the Mini-Mod Football well under way, our first group of these ticketed referees were on the paddock and, as the season progressed, would do a great job, both on the Mini-Mod side and as Touch Judges (International Rules).

Our representative referees all went well - Steve Clark refereed S.G. Ball right through; Martin Ryan got a chance to be seen also in S.G. Ball; with Peter Hawkins, Wayne McGhee, Steve Tulinsky and Michael Quailey all having runs on the S.G. Ball and Flegg Lines.

During the year we had a visit from a New Zealand referee, Wayne Urquhart, who was looked after by our Association and the District Club.

With the A/Reserve competition replacing the old B grade, some of our referees had to mature rather quickly as they would be refereeing A grade earlier than expected; all came through with flying colours.

On the subject of new referees, we were helped straight up by a fellow named John Melville, who would make his presence felt early. Also from the country came a young referee, Michael Allan. During the middle of the season we had a complete newcomer, Renato Iemma, as well as the experienced Michael Walkom. Straight off the football field came Pat Gilbert (with the potential and ability to go a long way). Even from 1st grade came one, Bill Grech, an old Newtown player. All these referees show a lot of potential which will develop next season. At the end of the season came Bob Talbot, an experienced referee from Group 6.

It all looks good for the 1988 season.

On the Junior side, we gained Grant Thomas. Having gained their tickets at the end of last season and starting full time were Andrew Stevens, John Courtney (front page), Gavin Aquilina, Scott Lloyd, Darren Graham, Lars Hanson and Trevor Whitting.

Next season we should start in a strong position.

On two occasions this year, we had visits from the N.S.W. Rugby League Referees Advisory Board, who gave encouraging advice to our referees. Our thanks to Denis Braybrook for his co-operation in this.

The Semi Final series was of course a high spot this year. The football played was of a very high standard, so too our referees rose to the occasion and gave their best in another hard and grueling year.

Our first lady referee also saw the end of a hard year with her first Grand Final. Good on you, Joanne.

Our sponsor, Hayden Harvey Smash Repairs, once again gave his support and will do so again next year.

This season also brought a few problems, especially that of gear. To outfit them and get the referees on the paddock was the job of Michael Quailey - the eventual Bob Purcell Trophy winner. It was a hard job keeping the stock up and records straight. Fortunately a company at Campbelltown, Fred Borg Promotions, had and can get any gear we require. He personally gave us every assistance. My thanks to Fred for this.

Socially, the functions were well attended on the whole - The Burning Log night had a good roll up. The entertainment was very good.

The Annual Ladies Night saw a change of venue - The Crows Nest Club - and this was a good night also.

I will leave the social reporting to our Social Secretary later.

As you may well know, it is now the going thing - football starts early. This year we started early February with open trials, so we don't expect any change for next season. So we start again. I also get asked "when does the Association have a break". That's funny, we've been asking that question for years now, but we wouldn't do it if we didn't like it.

To the Junior League, who again had a difficult year - my thanks to John Quinn, John Hickey and Executive for their help and co-operation. Their delegate, Malcolm Woodcock, did the Junior League proud. His contribution was outstanding. Malcolm will always be welcome to be part of our referees.

To Bob Saunders, the General Manager of the District Club, our thanks. It is hard to remember that a few years ago Bob was an active member of our Association and recently very much involved with the Junior League.

To my fellow executive members - Colin Jones (President) who gave me every support; Steve Betts (it's like getting blood out of a stone), Treasurer; Peter Hawkins (who knows how to give me a headache in many ways), Assistant Secretary; Jim Neal (always keeps you on your toes), Senior V.P.; Martin Ryan (who doesn't know the meaning of a reasonable hour to phone), Social Secretary, and to the old stalwarts Tony Brown (who attained his Life Membership this year - now Ngaire will have some peace) and John Porteous, V.P.'s. - thank you very much for all your hard work.

and we thought you guys didn't have friends

As always, our Patron, Bill Lalor, was always involved and interested in what went on in our Association.

My thanks also to my wife, Dymphy, who had to put up with it again, under difficult circumstances.

Let us start 1988 with a lot of enthusiasm.

BRIAN A. MINNETT  
Hon. Secretary

#### GOLF REPORT

The few players who turned out at Carnarvon saw Canterbury repeat their winning performance. Although we swear revenge somehow we just seem to miss out. Better luck at Narellan next year.

### GRADE REFEREES

Again our fellows fared well among a lot of good competition. Vince Smith and Steve Betts were seen regularly on 1st grade lines. Colin Jones had third grade lines and centres. Robert Kiddle had a mixed year, starting out in the centre, but for a minor hick-up, finished up on third grade lines.

Vince Smith finished with some very impressive appointments - City vs. Country Origin, N.S.W. vs. Queensland, National Panasonic Cup Final fixtures, and then with Steve Betts, the Second Grade Grand Final Line.

Congratulations to you all.

### JOHN QUINN - LIFE MEMBERSHIP

John Quinn again showed that with a lot of hard work, years of dedication and disappointments, rewards are sometimes forthcoming.

At the recent Annual Meeting of the District Club, John Quinn was elected Life Member unanimously by the Meeting.

His years of devotion to Refereeing and Rugby League in the North Sydney District finally has been rewarded. You could say John has achieved a lot, but, like a lot of us, unfortunately didn't get to Grade. He showed a lot of us how to succeed on the other side - administration.

His achievements read like this:

Referees Side: Social Secretary, Director of Referees (many years)  
President, Life Member.

Junior League: As I stated, Director of Referees, Secretary, President,  
Life Member and all for Rugby League.

Our congratulations to John Quinn. To his wife Mary, we say - we hope he can slow down now and spend more time at home with you.

*"First on the left, straight ahead, and then second on the right ... that'll get you out of the carpark".*

*"Next time, don't tell the players it's your first game"*

## Junior Referees Report

It is, no doubt, true that every article about any group of people in any Annual Report always extols the homogeneity and congeniality of that particular group.

This year's group of juniors were a particularly enthusiastic group about everything they did and were always looking for ways, help, and guidance to improve their game. I could go on and mention each person individually, but I would only be repeating myself. One though deserves special mention - Matt Harris, who was deservedly rewarded with the U/13 Ampol Cup Grand Final, the first junior to referee a Grand Final.

To the others, the experience gained from this year will only help in future years. I would be lying if I were trying to paint a perfect picture - it is true you all made mistakes during the year, but it is best if they serve as a learning experience for you.

We had five who juniors who played as well - Trevor Whitting, Scott Lloyd, Lars Hanson, Darren Graham and Gerard Bailey. Their knowledge of the rules, I believe, helped them immensely. This showed in the way they conducted themselves on and off the field.

During the season one thing that showed out was their referees gear. Thank you to the Mums to whom we owe a lot.

*Robert Kiddle*

Transporting these young men to grounds became a problem at times owing to the late changes in grounds and times, but again some Mums came to the rescue - in particular Mrs. Lloyd with her Van, Mrs. Graham with her tank (large automobile), Mrs. Stevens and daughter Penny (navigator needed), to name a few. If I have missed anyone else, I am sorry - it was not intentional.

In closing, I wish all our juniors a happy and productive season 1988, and remind them that hard work is the surest means of success. It is true there is no substitute for experience and dedication, but to look at the outstanding enthusiasm of this year's group suggests that the future of North Sydney Referees is bright indeed.

PETER HAWKINS  
ASSISTANT SECRETARY

"and the fish I caught was this long"

and we promised not to tell anybody he forgot his gear . . .

## Junior League Report

This season the Junior League introduced the A/Reserve Grade competition, which proved to be a success and promises to be even bigger in 1988.

The Junior League had a very hard season in putting together a competition which, in the later parts, were joined by Eastern Suburbs in the U/14 age group.

They were renewing their Constitution, trying to be incorporated, and build up troubled Clubs.

We, in the Referees Association, were extremely pleased with the Junior League's choice of delegate this year - that of Malcolm Woodcock. We believe he learnt a lot from the experience and so did we. He participated in discussions in a very constructive manner. He also became an Honorary Referee on grand Final Day and helped bring victory to the Referees Touch Football side over the Junior League Delegates. I think the score was 14-1! Our thanks to Malcolm for his contribution.

Mini-Mod again proved to be a little problem. Rule changes and interpretations couldn't be passed on fast enough. Maybe a Seminar at the start of 1988 would prove a great help. There is talk of a Book to be published soon which will include all Rules pertaining to Mini-Mod. I have seen the draft and feel it could be a great help to both sides.

"If the junior league could see me now!!!" (Malcolm - Middle front)

Again at the helm was John Quinn, who gave great support, as always.

John Hickey and old stalwart Jack Hanly also gave us every assistance and help.

To the rest of the Management Committee, our sincere thanks.

## Leagues Club

1987 saw a significant change in the Leagues Club - with extensive remodelling. When this is completed, together with the introduction of computerisation, the Club will again be in the top class range.

To the General Manager and his staff (especially Bronwyn McFarlane and Pat Baker), thank you very much. You always give us enormous help.

our successful sprint team with coach Jim and manager Mick, Rob Kiddle, Martin Ryan, Peter Hawkins, Steve Clark

## District Club

It was a mixed bag of success during 1987. The Club's new coach, Frank Stanton, saw them build up through an influx of talented players. At times they played like champions and at other times they were not so good. Lower grades performed in a similar manner. Injuries again proved our downfall.

Bob Saunders, the Club's General Manager, tirelessly kept buying players to fit in where needed. His 28 hour days still don't seem long enough to fit in all that needs to be done.

With all the hard work that has been done over the last few years, success has got to be just around the corner. Let's hope next year.

To Bob Sullivan, the Board of the District Club and Bob Saunders, our thanks again for your support.

"refereeing's never been so much fun" so thinks Pat Gilbert

## Vale

To all families and friends who have suffered loss during the past year, our deepest sympathy.

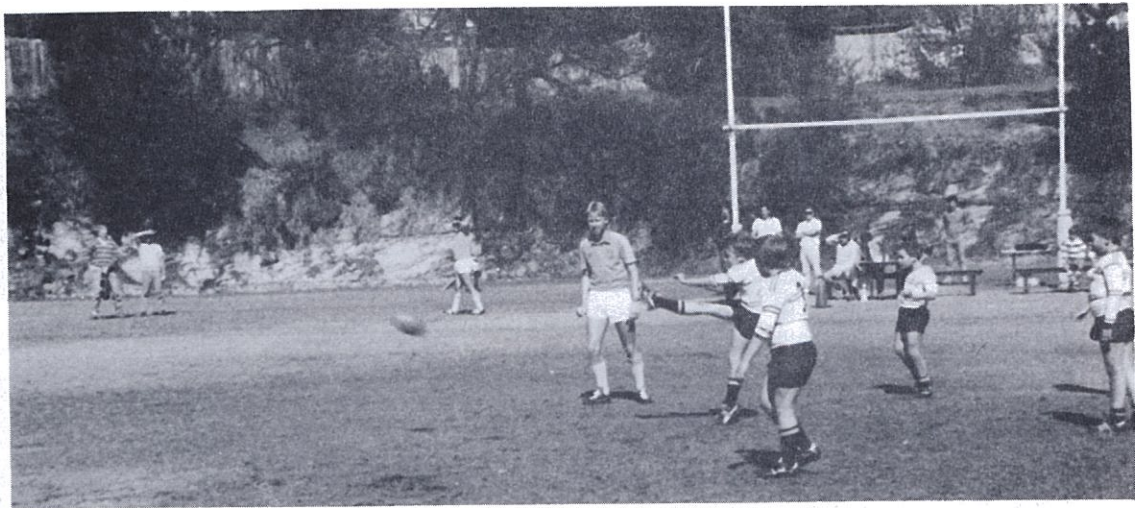

Just recently our first President, Stewart Morris, passed away. Most of us would never remember Stewart.

Is that 10 cents on the ground over there?

"I think I should be running"

But Miss it wasn't a heavy tackle

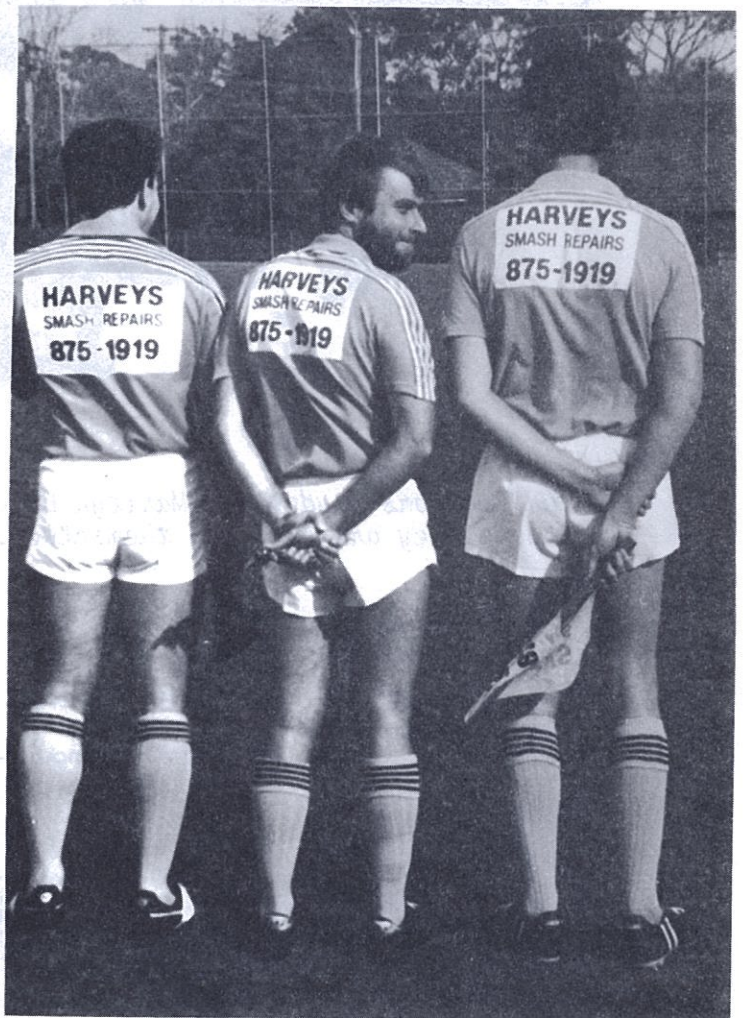

# Representative Referees Report

1987 saw a moderately successful season for our representative referees: Steve Clark, Martin Ryan, Michael Quailey, Peter Hawkins, Steve Tulkinsky and Wayne McGhee, all had runs, with Steve Clark holding down a position in the centre of the S.G. Ball competition throughout the rounds. All six worked hard and gained valuable experience. A little luck, some serious training and dedication should see these gentlemen go further in 1988.

At the end of October, Steve Clark, John Melville and Peter Hawkins were invited to attend the District Referees Seminar at the Narrabeen Sports Academy over a weekend. This weekend provided the opportunity for these three gents to gain insight into grade refereeing, and along with the early morning training, talks and discussion groups proved to be a worthwhile venture.

On behalf of these three representatives, we would like to thank Dennis Braybrook, the N.S.W. Referees Association, T.N.T., the Graded Members and Advisory Board Members who gave up their time to make the weekend the success it was.

Where's your hands Pat?

Finally, good luck to all those referees who are nominated for representative fixtures in 1988 and especially to Steve Clark, Jim Neal and John Melville, who have been invited to the 1988 Grade trials.

*Our Sponsors Hayden and Marilyn Harvey look as though they are enjoying themselves.*

*Did you know Jim Neal could dance. Well - he is thinking about it.*

**"Tracey won't dance!" – Greg McCallam shows how it's done with his eyes closed**

**"So tell us why they call you REPCO, Craig?"**

**"It was never this fast in Narooma" - John Melville**

**"If we come back tomorrow, there might be some players here!" - Martin Ryan, SG Ball Henson Park**

**This can't be training— there's too many people there!**

# Sponsorship Report

Members,

It is with pleasure that I submit this Sponsorship Report to you for the 1987 season.

In financial times when, for various reasons, companies are withdrawing their support to various clubs, it gives me great pleasure and pride to inform you that Hayden Harvey, our sponsor for the last three years, will once again be with us for the 1988 football season.

The benefits we have gained from this sponsorship over the last three years are various: gear for new referees, track suits, jumpers, shirts, whistles, are just a few of the things that we have been able to purchase, due to Hayden's generosity.

Even as I report to you, Hayden has donated to all active referees a sloppy joe (which I modelled at the end of the year), so you can see what his support does - not just stop by signing a cheque at the beginning of the year.

So, when you are given whatever piece of gear from the Sponsorship Committee, please do not forget to wear it because by displaying his name on our gear, we are saying "thank you" to him in the way that people will go to his premises for any auto repairs in the nature of smash repairs.

In closing, I wish to thank my fellow executives for their support. I would also like to thank the members for your support in accepting what we considered best for the referees in 1987.

Finally, to my fellow committee-men on Sponsorship, thank you for your ideas and support, and I look forward to working with you in the '88 season.

JIM NEAL

Senior Vice President

Chairman - Sponsorship Committee

# Appointments Report

1987 proved to be a very long and hard season. We started early February with Open Day Trials for the District Club, Representative Trials and then Club Trial Days.

We had an increase in Juniors and Mini-Mod ticketed referees as well.

We fulfilled all Junior League appointments - not mentioning sickness, injuries and unavailabilities.

With the introduction of the A/Reserve competition, referees had to mature quickly. This necessitated bleeding younger referees.

Mini-Mod seemed to be our main problem. Interpretation of rules still has not been completely settled, but our junior referees are very competent and did an excellent job. Maybe with the introduction of a new rule book, most of the problems will be ironed out.

The Development Section of the District Club (under the guidance of Kevin Nichols) had their hands full trying to organise their competition. We fulfilled most of these appointments, but unfortunately due to school changing playing times and days, our referees were unable to fill certain appointments. My thanks to Kevin Nichols for his help in this area.

To my fellow Board Members - Jim Neal, Milton Cooper, Adrian Boyd, Peter Hawkins and Michael Quailey, my thanks for your help. Also, John Quinn, again many thanks for your help.

Next season let's start training together by running and talking together. It will help us all during the season.

## TRAINING

The first stage of the Rugby League calendar is the pre-season training. That's the time we throw the cricket clothes out and the sports bag, the sun cream in, and run along the oval at 9 o'clock on a Sunday morning.

Such efforts were to be rewarded with a Sausage Sizzle, but thanks to a sudden downpour, this was then held at our Seminar in March.

## CRICKETING

When the first round comes along, the players get serious, and start playing for keeps. Competition amongst referees was more light-hearted: a Family Indoor Cricket Night.

32 players entered the nets, just the ideal number. Jim Neal's party of players shared in the prizes; Joanne Lyons and John Byrne brought all of their family along too. Angela McGregor played some very effective run scoring shots and Milton Cooper once again stopped the ball courageously - only this year with his hands and not his forehead.

## GOLFING

Our Golf Day at Easter was attended by far fewer people. In fact there were as many prizes as there were golfers, so everyone returned a winning score-card.

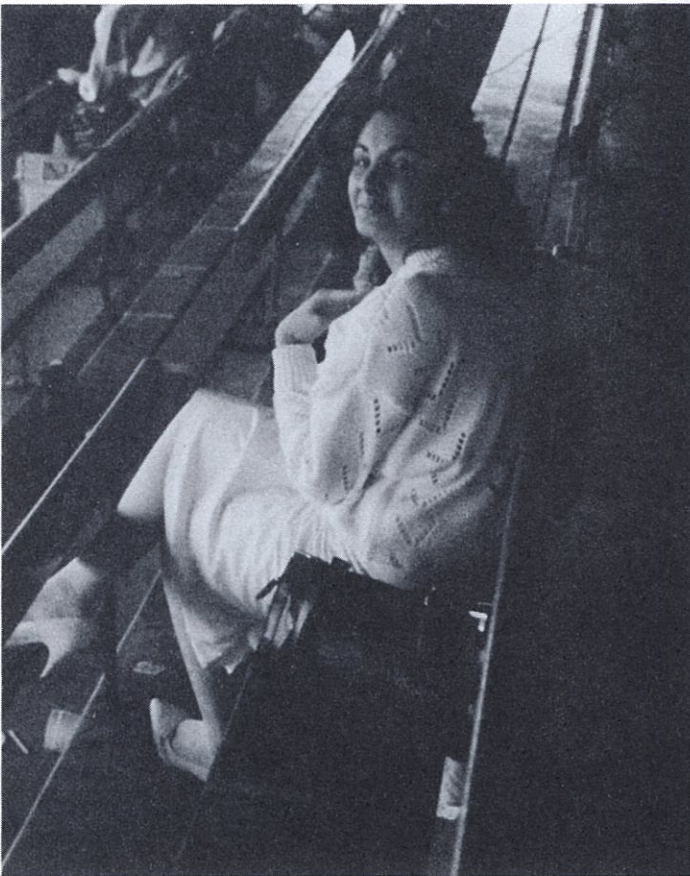

On one Par 3, a stunned Brian Cooper saw his tee shot roll within a metre of the hole. Then he putted (whoops! sorry Brian).

## BOWLING

Ten Pin Bowling at Hornsby is a longstanding feature of our social calendar and no wonder. It is always good fun.

This year we had 42 bowlers, with the Byrnes and Hawkins providing the family lanes.

Whilst there were several prizes, 'worst bowl' is the one that comes to mind. Although Joanne Lyons picked up some spares and strikes, she was the undisputed winner of this award. Joanne sent one bowl which careered into the gutter with such force that it rebounded back into the alley and knocked down 7 pins. Unbelievable!!

*"I always wanted to be in pictures"  
(Virginia Sarofim)*

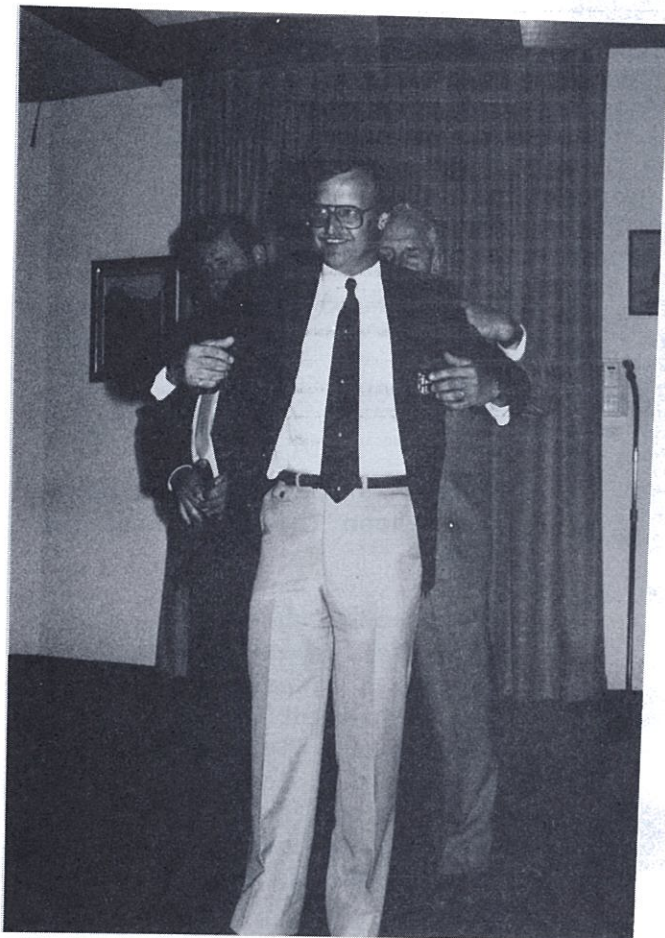

## OTHER THINGS

Before I conclude, may I convey my thoughts on a few other matters.

Firstly, I would like to acknowledge the work of the Social Committee: Peter Hawkins, Joanne Lyons, Michael Quailey and John Melville. I greatly appreciated their assistance.

Bill Lalor, our Patron, continued to be a strong supporter of our social events.

Brian Minnett's hard work also assisted me, especially with printing. With Brian, I never needed to worry about anything. He did enough worrying to cover both of us, and a dozen others.

### LADIES NIGHT

Our season concluded with our Annual Ladies Night in October.

This night included several new features including live music and a new venue - The Crows Nest Club. Attendance was close to 100, including our guests.

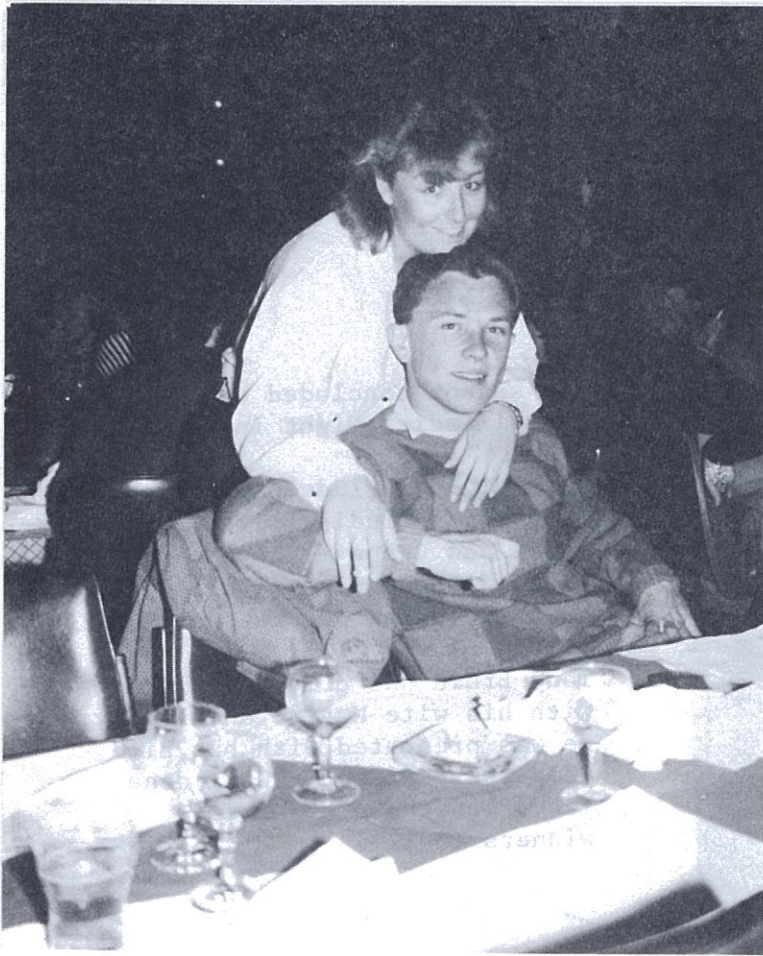

Tony Brown had pride of place with his wife Ngaire and Family. He was presented with his Life Membership Blazer. Well done Tony, and the other Award winners too.

"One day I'll learn to dress myself"

During the evening the Ladies were presented with flowers, kindly made by Pat Melville. They were beautiful Pat, and thank you very much for your help. It was greatly appreciated by all, I am sure.

"Anyone else for an autographed place mat?"

#### DINING OUT

Dural was the venue for our mid-season Theatre Restaurant Night.

We attended the Burning Log with the company of Manly-Warringah Referees. Whilst the Restaurant's Seating Plan reduced the night's effectiveness as a joint function, the show was favourably regarded by both Norths and Manly Members, and their friends.

"Just another typical day" wedding bells should not be far away

*Steve Clark and Jacky Osmond*

*Martin Watching Over The Young Contingent*

### JUNIOR REFS

Our Annual Junior Referees' Dinner took place in mid-August to acknowledge the efforts of our Junior Referees.

Guests that night included all our Juniors, their parents and Graeme and Sonia Annesley.

Graeme Annesley spoke of his experiences as a referee and talked with our Junior Members individually.

"Look Dad, I ate all my dinner"

Matthew Harris showed brashness and style as M.C. and Gavin Aquilina, Andrew Stevens and Lars Hansen also spoke well.

*What a happy lot we are*

This year also saw the introduction of Monday Night Football Sweepstakes. This competition engendered interest among members and contributed \$500 towards our social budget. Congratulations to David Smitheram, the major prize winner.

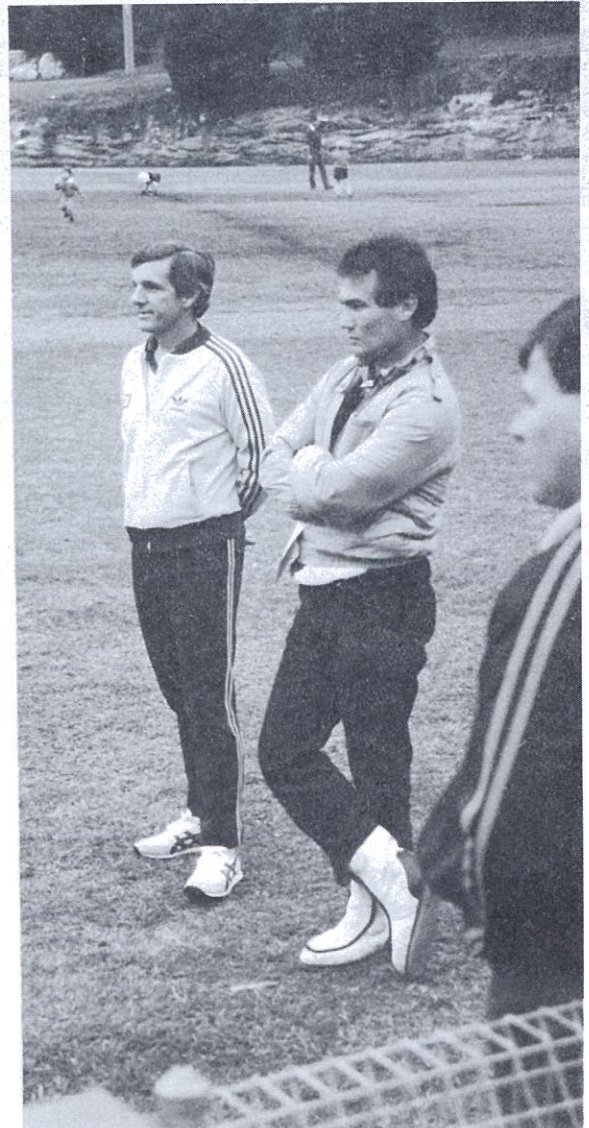

The next major event on our Social Calendar is the Past and Present Night, to be held on Saturday, 19th March 1988. This Reunion, our first since 1982, provides a special opportunity to catch up with our refereeing team-mates of prior seasons.

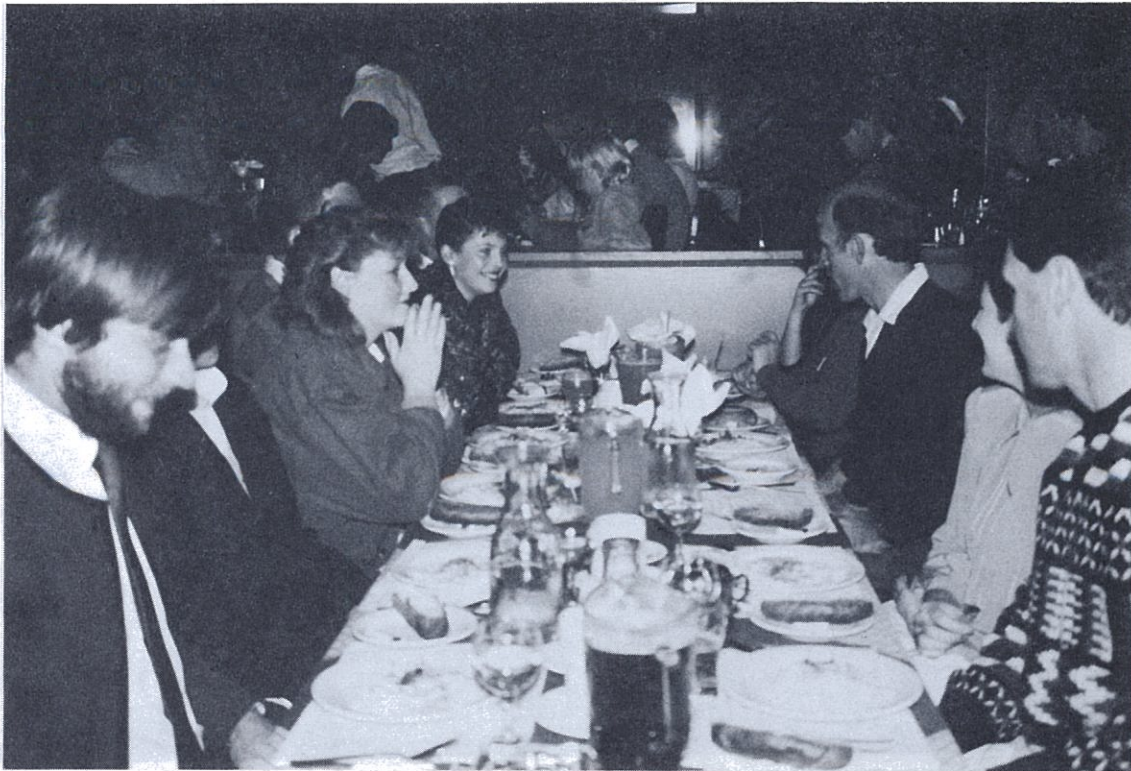

It will be an event to look forward to.

"So who wants to do the next game?"

THE REAL REASONS REFEREES PULL OUT OF GAMES

"Let's leave the party",  
I heard Master Matt say  
"We're all refereeing tomorrow,  
And tomorrow's now today".

With a groan and a mutter  
Renato then Wayne  
Looked at Matt and enquired:  
"Are you going insane?"

"Didn't you pull out?"  
Asked John with a smirk  
"I said my house flooded  
To get out of my work!"

Well that was a new one  
They all did concede,  
It was better than Mike's  
Who said he was working due to financial needs.

"But why be original?"  
Crazy Joanne replied,  
"I've said seven times that  
My puppy dog died!"

Pat agreed with Joanne  
"I'm unoriginal too;  
I simply said  
I've come down with the flu".

"Well the best ever reason",  
Said Billy to Matt  
"Was when I got out  
Due to distress on lost cat!"

Well that caused some laughter  
And some hysterical tears  
And the party kept rocking  
And a late hour drew near.

"We have plenty of juniors",  
Was Steve's reply  
"They can fill in on lines,  
Don't worry - Brian'll get by".

Matt said, "That's not fair!  
We always cop lines,  
And if we don't do them  
Well then we cop fines!"

"Well when you're a senior",  
Pete said to Matt  
"Just think up an excuse,  
Its as simple as that".

"Don't buy a car",  
I heard Martin say  
"That way its easy  
To be late every day!"

"My reason was clear",  
Serge said to Jo  
"They put me at Glenorie,  
But its too far to go!"

"I got out too",  
Rob said, from the back of the bunch  
"Well sort of - in a way,  
I start after lunch".

The clock ticked on silently  
And all was discussed  
Everything from drinking  
To Dave's latest lust.

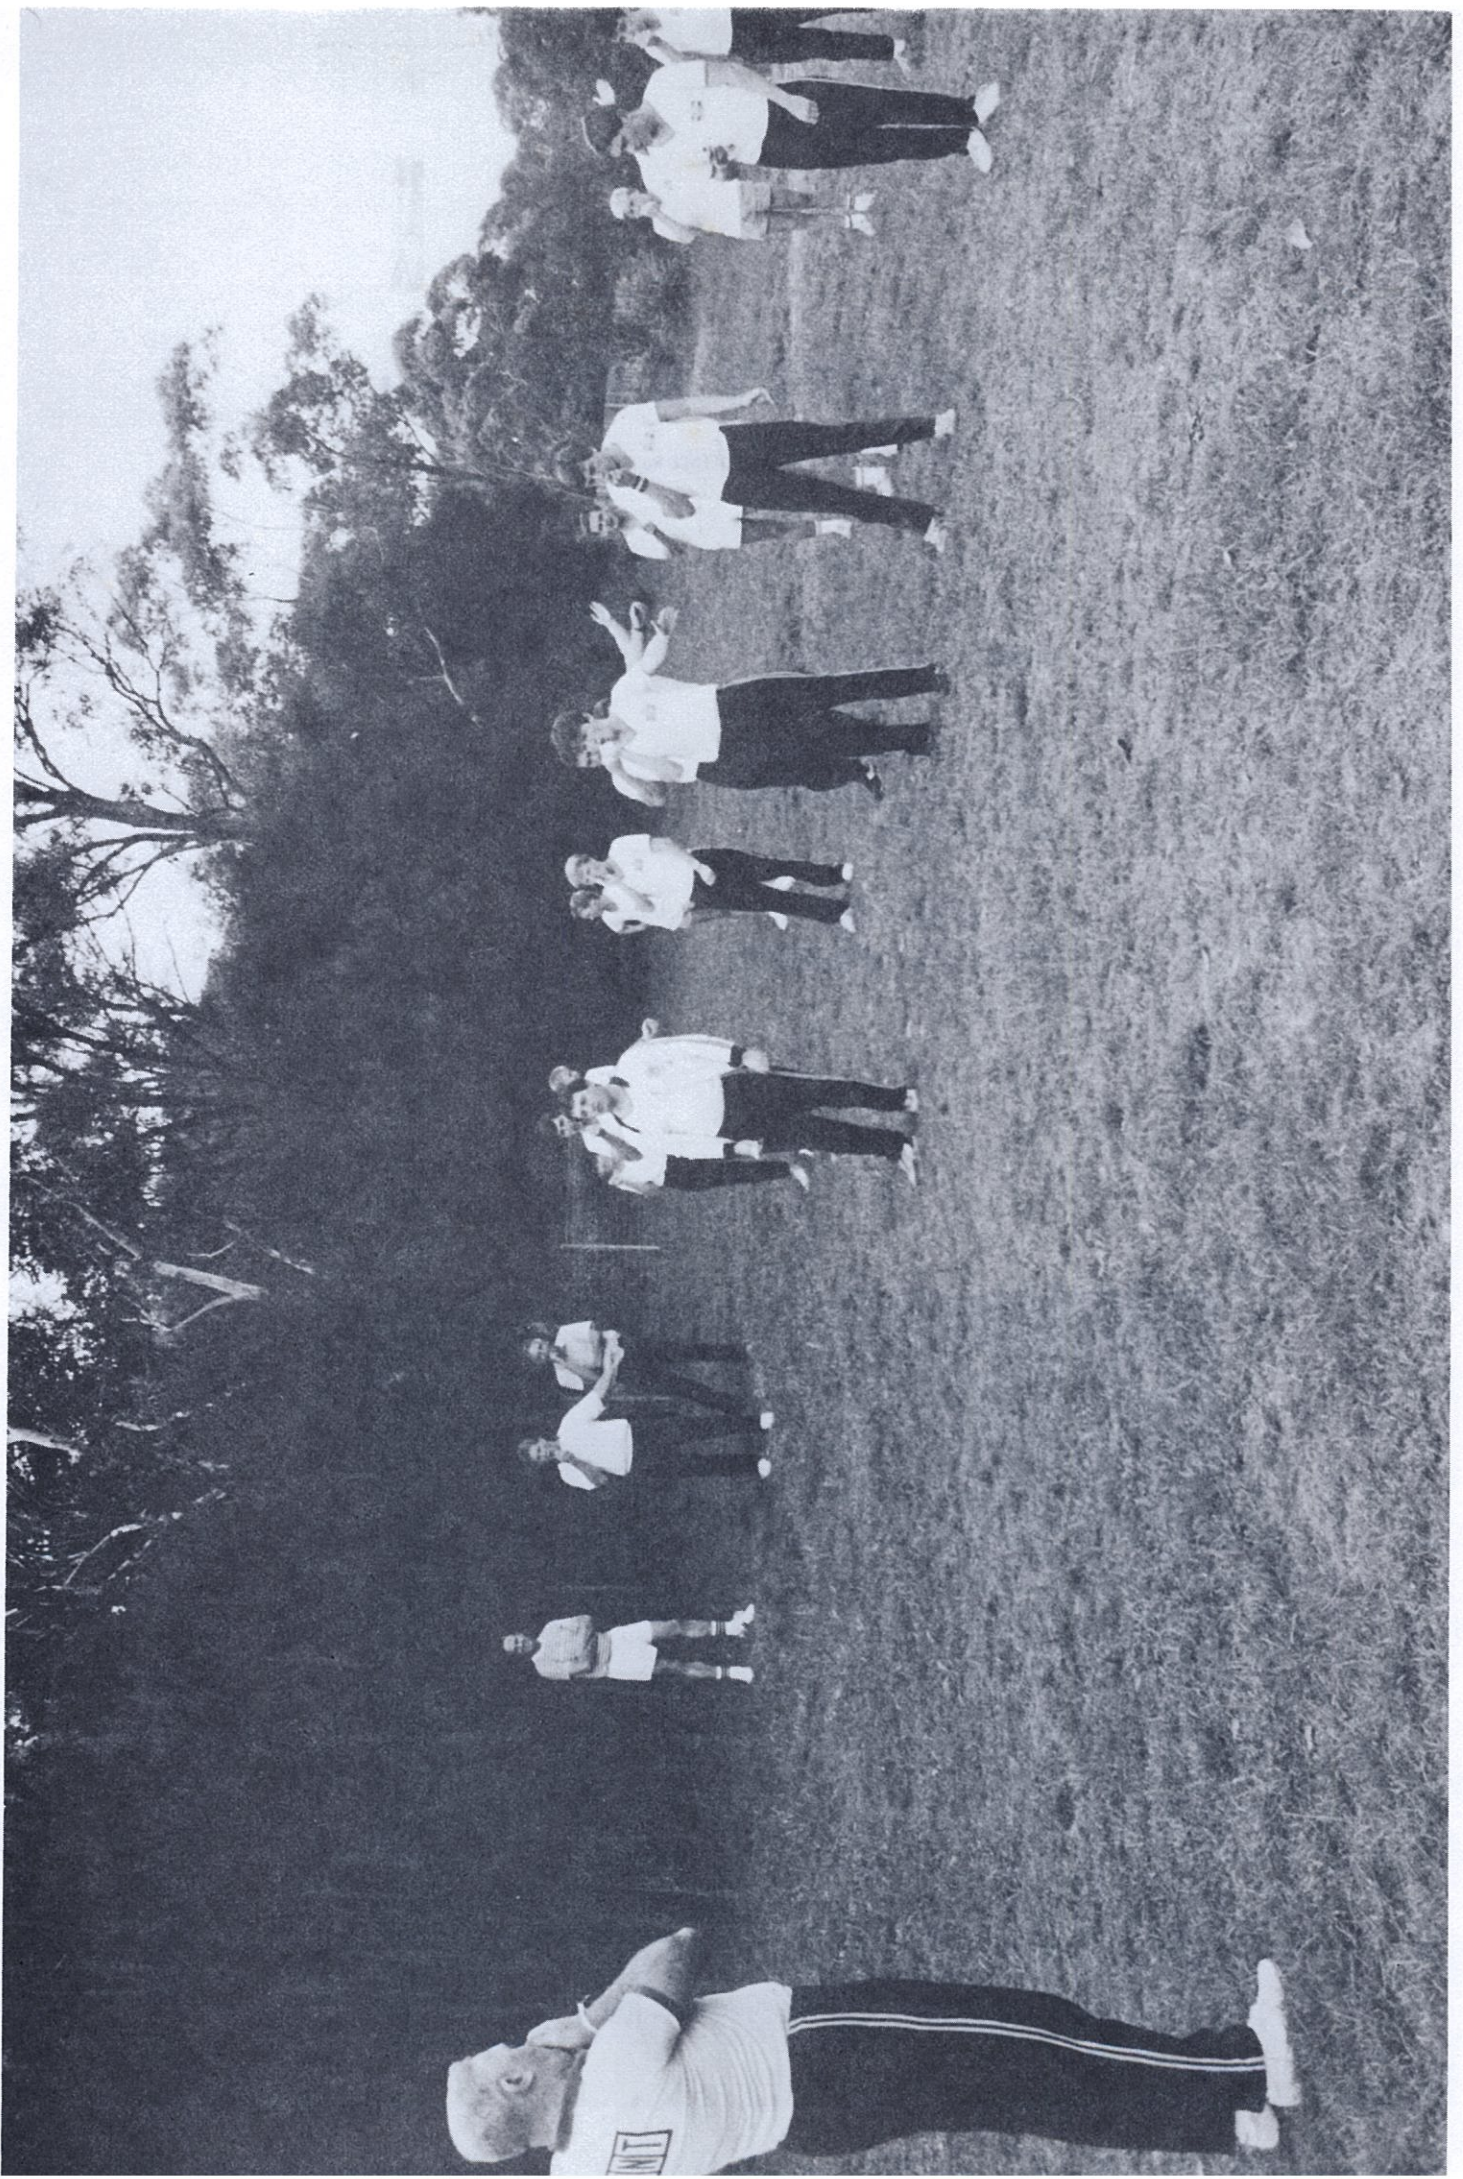

Still the party continued  
And in little sorrow  
They all said together  
"Thank God we're not refereeing tomorrow!"

Even Terry agreed,  
He said, "That Man's with me,  
I've got a mass on tomorrow  
I'm a priest, you see".

Well Matt looked around  
And thought, "What can I do?"  
"I know - I'll ring Brian  
And I'll pull out too!"

"Hi Brian, its Matt  
But I won't cause you a smile,  
You see, I'm out tomorrow  
'Cos I've got my trials!"
