PATRON'S REPORT

Once again it is my privilege to write this short foreword to the Annual Report and in doing so am pleased to congratulate the Executive Officers and the members on another successful season.

At the commencement of each season there is always speculation as to whether the Association will be able to fulfil its commitments to the Junior League. that it has done so. in spite of increasing problems, is a tribute to the diligence of its officers and the dedication of all the members.

One of the major problems facing the Association is, not only the recruitment of new members but the retention of those new recruits and also some older members. Changes in life style and use of leisure time contribute to this problem but equally so is the continued denigration of referees, both collectively and individually by club supporters and, regrettably, some players and officials. Perhaps the recognition by each of the parties involved that we all have an important role to play in the interests of Rugby League and we all carry out our parts to the best of our abilities.

Hopefully 1995 will see some improvements in this regard.

Bill Lalor

PRESIDENT'S REPORT

With the initiation of our new working year, the Annual General Meeting had to be put back until the end of January, due to a health problem. My sincere thanks to Secretary, John, and the Executive for the gesture.

Now, let's have a look at 1994.

The year again started with our assault on the Annual Golf Tournament; alas with no luck again. Steve Clark did a good job getting the team together as always.

Jim Neal got training off to a flying start and kept the momentum going until his unfortunate resignation half-way through the season. Jim put so much effort and time into his job, that he put himself under a lot of pressure. It was a good job well done. I hope we see him back in 1995.

Our Representative referees again acquitted themselves well. Stephen Clark put in his first full year in First Grade, What an achievement, and to top it off was recently appointed to the Oceania Games in Fiji. What a great reward for a wonderful season. Congratulations Steve and Jackie.

Our Secretary also had a big year, culminating in his marriage to Karen Kable and building a new home. Besides this, he did everything that was asked of him by myself and the Association. Best wishes and Congratulations to you both.

Our female referees are improving all the time and I am sure this will be reported on elsewhere in this report.

This year heralded the new Referee Candidate Level Ticket. We had two enquires - one came for his first lecture and didn't come back. The other never followed up - maybe we will have more success next year.

For the first time in a number of years we had a surplus of referees, thus making it a more competitive year. More competitiveness makes for better referees and all referees respond to this.

Again, as I have said earlier, first under the supervision of Jim Neal, later Robert Kiddle, with some help from Colin Jones and Stephen Clark and with special help from guest trainers, i.e Kevin Jeffes, helped most referees to keep fit and improve their refereeing standard.

The year was made easier with the help of an active Executive. Jim Neal - who put in 110 %. Our Patron Bill Lalor, who gave what time he could, but always there when advice was needed. Senior Vice President - Colin Jones - great support as always. Vice President - Chris Hayes - what can you say - always there to help. Treasurer - Robert Kiddle - besides trying to organise

a new home - gave everything he could helping me and the Association. Our young Social Secretary - Scott Truelove - what an experience - he should have learnt a lot from this year. Assistant Secretary - Kathy Simmons (elected on the resignation of Jim Neal), will gain by the experience.

My Main workers - Michael Quailey and John Boyle- (Vice President and Secretary respectively). These two do so much work for the referees, and the Association aptly rewarded them with Life Membership over the last two years.

Congratulations and thanks to you all.

Wayne Lambkin, thank you for your continued support during the year. John Quinn, as always, was there when needed to give advice.

Without my wife Dymphy's support, it would have made the year impossible.

Finally, to the members of this Association - my thanks to you all.

To the incoming Committee for 1995 or any member who would like to sit on the Committee - THINK HARD about accepting your nomination. If you do - do your job well. It makes it easier for everyone to do their own job instead of trying to cover for others as well.

All the best in 1995

BRIAN MINNETT PRESIDENT

Our President, Brian Minnett

SECRETARY'S REPORT

Dear Members,

It is with great pleasure I present to you, the 1994 Annual Report and Balance Sheet. In this report I have tried to compile an accurate reflection of the state of the Association. Unfortunately, as like last year the Association was left without a major sponsor but as you will see from the Balance Sheet later in the report the Association is financially sound.

The year got off to a flying start with the Annual NSW Referees Golf Day over the Australia Day Holiday. First off it would be remiss of me not to congratulate Canterbury Referees Association on winning the Main Trophy. Also thanks should be given to our Golf Captain, Stephen Clark, for his hard work in getting a team together.

As has been the practice over the last few years the on- field side of refereeing started early this year with Representative Trials held at Macquarie University. Thank you to all the referees who made themselves available, especially considering the weather factors.

1994 again saw North Sydney Junior League have a fall in the amount of sides competing in the age groups U/7's to U/19's. This caused the Junior League to have a combined competition in the age groups U/15's to U/19's with the Manly area. This left on every 2nd or 3rd Sunday only 12 to 15 Games for our referees to do. This unfortunately meant some referees had to miss out on a centre, but on the bright side led to more active competition and I believe and improvement in standard of our referees. This and the measures brought in by the coaching panel with the help of the Appointments Board helped to build a stronger Association.

Unfortunately 1994 saw the Association and the Refereeing world in general lose a number of good friends. The Association was shocked when we heard of the death of Vince Smith. Vince, for some of our Junior Members, was one of our members who had risen from the ranks and through hard work got graded. He didn't stop there, Vince kept working until he became one of the top Touch-judges in First Grade. Vince, as some of our younger Grade and Active Members will tell you, never forgot the Association. He worked hard helping the younger referees with their skills and their careers. He will be sorely missed. The Association in recognition of Vince's work, unanimously, decided to change the name of our Junior Encouragement Award to the Vince Smith Memorial Junior Encouragement Award and it was great to see Colleen and the family there to present the Award at the Presentation Night.

Two other friends of the Association that passed away this year were Denis Braybrook and Don Macdonald. Both these men worked tirelessly for Rugby League and refereeing and were always there for our Association when called upon. They two will be sorely missed.

This year saw the Association hold a number of Social Events which are written in more detail later in the report, but I believe two should be mentioned here. First was the Annual Dinner meeting, this year we were fortunate to have Bill Harrigan as our guest speaker who kept everybody amused with his anecdotes and stories. Special thanks should go to Aaron Brownlow who rang Bill and arranged for him to attend.

Another Social event I believe should be mentioned is the Annual Wine Weekend. A great time was had by all. Thanks to Dymphy and Brian Minnett for all the work they put into arranging the event.

At this time I would like to thank a few people and organisations for their help throughout this year and proceeding ones:

To Brian Marsden, Wayne Lambkin and the Board of Management of the Junior League, congratulations on the completion of a successful year and thank you for your support.

To Ian McCall, Les Mathews and the Executive of the NSW Referees Association thank you for your support and assistance throughout the year.

On a personal note this year has been very busy but rewarding year for me personally and as your Secretary. Due to commitments with wedding preparations and building a new home, I have had to juggle many things and delegate others. It has been a lot easier with the help of a very supportive Executive:

Brian Minnett, Our President, thank you for your help and friendship.

Robert Kiddle, again provided the Association with a great deal of Professionalism in his role of Treasurer.

Jim Neal, thanks for all the work and on the refereeing side also your assistance and advice .

Kathy Simmons, thank you for filling in when needed.

Our Vice Presidents: Colin Jones, and Chris Hayes who are always there when the Association needs a hand.

Scott Truelove, our Social Secretary, worked hard all year and would have learnt by the experience, also thank you for your friendship.

Bill Lalor, Patron, although a difficult year for you, thank you for your guidance and support.

Michael Quailey, what do you say about this man, unfortunately did not have a great year with his health but showed his commitment to this Association by turning his ill luck on the Football field to a plus by helping out with Appointments and whatever was asked of him. Also on a personal note, thank you for your friendship and support.

To John Quinn as always thanks for your support.

To my wife, Karen, thank you for being there to listen and support me

Finally, our Association as it moves through the 90's and beyond has to face many changes and challenges. With the advent of a 20 team competition and maybe a Super League, the prospect of amalgamation of clubs and Junior leagues is quite a possibility. how this will effect this Association is anybody's guess. The Association for it to survive these challenges, every member must play a part and take pride in what the Association represents and more importantly ourselves. That means don't be afraid to nominate yourself for a Committee or Office Bearer if you think you can offer something to the Association. If you miss out, that doesn't mean you are not wanted, there are many other ways you can help the Association through training, attending meetings etc. Do no ever forget the Association is there for all members.

I look forward to seeing you all in 1995.

John Boyle
Honorary Secretary

GRADE REPORT

1994 saw our Grade Members, Stephen Clark, Steven Betts, Colin Jones, Robert Kiddle, and Martin Ryan, have a successful year and before we start to list the individual achievements of our members, let us first say that the whole Association is proud of your efforts and appointments in 1994 and our congratulations go to each and every one of you.

1. Stephen Clark continued his hard work from previous seasons by maintaining his position in First Grade throughout the year and culminated the year by being appointed to the Major Reserve Grade Semi-Final Centre, Standby Referee for all three grades on Final Day and Standby Referee for the First Grade Grand Final.
2. Ever perennial, Steve Betts continued in fine fashion with solid performances throughout the year. Steve's year culminated in being appointed to the First Grade Grand Final Line.
3. Robert Kiddle was often seen on First and Reserve Grade Lines and was rewarded through the year with his appointment to the Young Lions V Australia Representative Fixture Line and finally as Touch-judge for the Metropolitan Cup First Grade Grand Final.
4. Colin Jones again had a solid year with his continuing performances on First Grade lines and was rewarded for his efforts with appointments to the Reserve Grade Semi-Finals.

Finally, Martin Ryan, had a quiet year but after some solid efforts finished in Reserve Grade.

Stephen Clark was also selected to travel to Fiji to officiate in the South Pacific Cup which involved teams from New Zealand, Samoa, Tonga and Fiji. Mr Denis Hale from New Zealand was also selected to officiate in this Tournament along with local Fijian Referees. The Tournament lasted Two Weeks.

A great time was had during the year at the meetings and at Grade training. Hopefully it will be an even better year in 1995 and wishing all our graded members and Junior Representative Squad members all the best in 1995.

Finally I would like to thank the Association for allowing me to be delegate, as I had a great time attending the training sessions both at home and in at grade. The best Training session attended by Grade members is the Brooklyn Bash.

JUNIOR LEAGUE REPORT

The opening General meeting of a District Junior League is not the place for the uninitiated, so how I found myself there was a mystery to many including me. February is still the middle of the Cricket Season, but yet we found ourselves discussing a very near Football season. However early this appeared to be, many months of work had already been done by this years Junior League Administrator, Wayne Lambkin, he and his executive had worked for many weeks over the summer planning the up incoming season.

The Pre-season Sevens Tournament which usually signals the start of the season had to be cancelled due to lack of support. this was very disappointing as a lot of time and effort had gone into organising the day and finding a sponsor.

This year saw the departure of one of our Development Officer's, Kelly Egan. Kelly's work along with the other members of the Development Team, Paul Conlon, Craig Wilson, Greg Florimo and Billy Moore was a great asset to North Sydney. The young players of our district have a lot of other activities to draw them away from Rugby League, through the continued efforts of this team, who will be led by Paul Conlon, the good work will continue and will show the results in the years to come. Kelly was farewelled at function held by the Junior League in the McKinnon Room of the Leagues Club. It was well attended by all the clubs, grade players, the District club and Association Members. We wish Kelly all the best for his future endeavours in Queensland.

It was very encouraging to see the huge turnout for this years Junior League Picnic, the boys and girls enjoyed a great day which included races, novelty events and a sausage sizzle. The event was made even greater by the support of nearly the entire 1st Grade side including State of Origin stars Billy Moore, Gary Larson and Jason Taylor. The players were kept busy all day signing autographs and then they presented awards at the end of the day. It was great to see so many of the referees turn up and participate, I'm sure the players enjoyed the opportunity to see the person behind the whistle, and the Junior League appreciated you helping during the activities. Hopefully this will be repeated again next year with an even bigger turnout.

The North Sydney Junior Representative teams showed great potential with the Jersey Flegg team making the semi-finals but unfortunately played probably the worst game all year in the Semi and got beaten. The S.G. Ball and Harold Mathews sides provided a firm base to work with for future years. The trials for 1995 were again conducted after the regular season, just when everyone thought it was safe to put away the gear and head for the beach. these trials continued well into October. The talent displayed here was very encouraging with the selectors having their work cut out to narrow down the possibilities.

The lack of teams in the age groups between 15 and 19 again meant that these age groups had to merge with the Manly District. It is these age groups where we seem to struggle to find players and it is cause for concern.

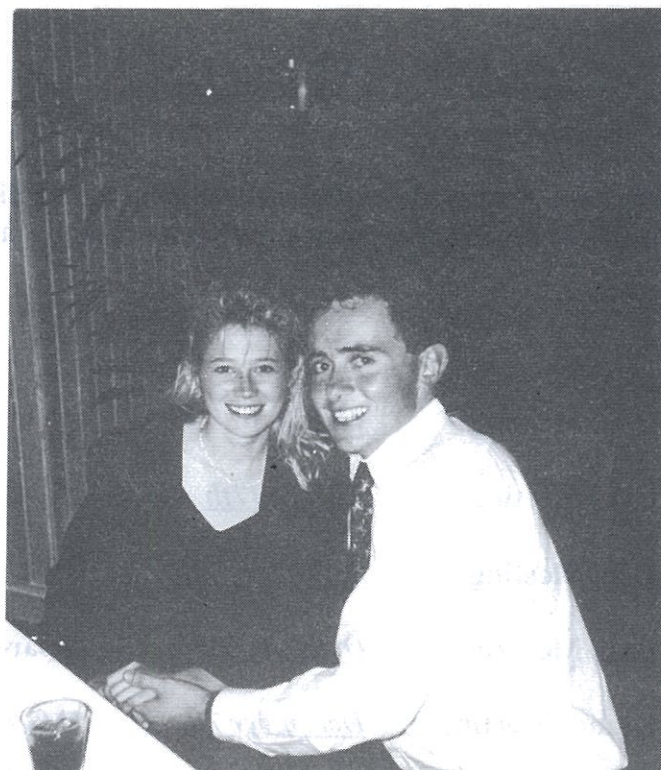

This year we welcomed a new delegate from the Junior League, John Findlayson from the West Pymble Club and also a member of the Junior League Board of Management. Unfortunately I was unable to attend several Junior League meetings during the year due to judiciary commitments and John was able to fill the members into what was happening with the Junior League and its effects on the members.

Congratulations to West Pymble on their A Grade Premiership and to all other teams who enjoyed Grand Final success. Both Junior and Senior Grand Finals were conducted in great spirit and the days went off well.

It has been a very long season and to those people who committed both days of their weekend and often a few nights of the week, Thank you very much.

To all the Junior league Clubs and officials thank you for your efforts in 1994 , lets us all work towards making next year, 1995, an even bigger and better one.

JUNIOR REPRESENTATIVE REFEREES REPORT

1994 saw us increase our representation in the Representative squad from only one member to three. They were David Smitheram, Tony Archer (our recruit from Easts) and David Lombardo. All three did themselves and our Association proud.

David in his second year in the squad started off doing lines and eventually ended up doing Mathews Cup Centres. Tony, who transferred from Easts, had a steady season doing centres for most of the rounds. David Lombardo in his first year in the squad did mainly Mathews and Ball Cup Lines. As was the case for David Smitheram last year, this year was a learning experience for David and he will improve with this experience.

With the the structure of the competition in 1995 expanding to take in more rounds and Presidents Cup we hope our squad members can take their chances and hopefully move into the Grade ranks.

To those members who have been chosen for the squad in 1995, we wish you the best of luck.

VALE

Unfortunately, 1994 did not pass without our families and friends losing loved ones. Our deepest sympathies are extended to all who have suffered a bereavement during the last year.

MEETING DATES 1995

Would all members please take note of these dates and write them in your diaries **NOW!** All meetings are either booked in the Kameraigal or Harry McKinnon Rooms at North Sydney Leagues Club.

DISTRICT CLUB REPORT

Before a ball was kicked, 1994 promised so much after a frustrating year in 1993, but in the end it was the case of so close but yet so far. After being written off by all the punters, we saw Norths spend most of the season in the top three teams and with a bit of luck may have seen the Bears in the Grand Final. Our Congratulations go to Peter Louis and the players for a fine effort and hopefully that may be able to go two better next season

With the Premiership expanding to 20 sides in 1995 we hope that the competition and matches will be as exciting as previous years.

Our congratulations are extended to the following clubs for their competition wins in 1994:

*	<i>Canberra</i>	<i>First Grade</i>
*	<i>Cronulla Sutherland</i>	<i>Reserve Grade</i>
*	<i>Cronulla Sutherland</i>	<i>Presidents Cup</i>
*	<i>South Sydney</i>	<i>Tooheys Challenge</i>

Lets hope that we see the name of North Sydney at the top of that list at the end of the 1994 season.

Our thanks are extended to President Ray Beattie, Chief Executive Bob Saunders, Development Officer Kevin Nicholls and his staff, Kelly Egan, Paul Conlon, Craig Wilson, Greg Florimo and Billy Moore and Pat Baker for their help and support throughout the year and we look forward to working with you in 1995.

LEAGUES CLUB REPORT

This year the Leagues Club again provided us with rooms to hold our monthly meetings, and as always the Club looked after us with their usual efficiency.

This year saw the Association move its Annual Presentation Night back to the Kammeraigal Room at the Leagues Club and found it was a great success.

Our thanks to Bob Saunders, the Catering and Function staff for their help and support on that night and throughout the year.

TREASURERS REPORT

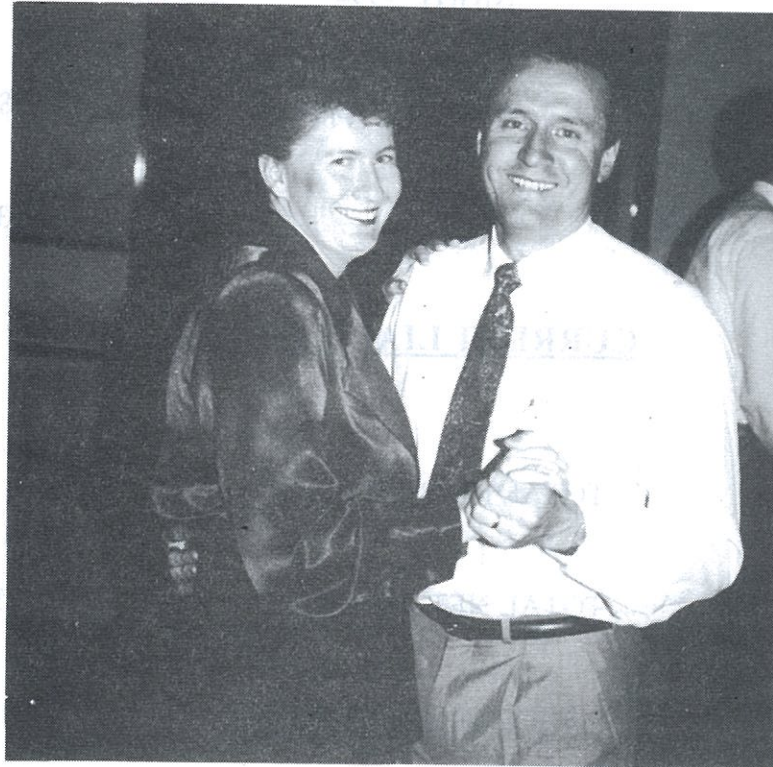

It has been a pleasure to once again serve as Association Treasurer. Unfortunately, another year has passed without Sponsorship and this places a heavy burden on active referees in having to purchase all their gear. Hopefully we will be successful in obtaining sponsorship for next year and ease the financial obligations of our members.

The Association is in a sound financial position which has been achieved through efficient management by the Committee.

Thanks to Brian, John and the rest of the Committee for their support and efforts during the year. Special thanks to my family for their continued tolerance.

Best wishes to all for the festive season and for a successful 1995.

COACHING REPORT

My Fellow Referees,

I would like to submit this report on behalf of your Coaching Panel for the 1994 season.

The Season started very early with Pre-Season Training with a good attendance of referees recorded. This went on for a number of weeks before the commencement of official training at Waitara Oval. This saw an increase in attendance, which was maintained by the referees throughout the year.

I would hope that what the coaches tried to stress on the referees was of help to their standard of improvement that was seen by other officials.

During the year we had a number of guest coaches at training and I would like to thank them for their time and effort, (Kevin Jeffes, Ted Thomson, Graeme West and Stephen Clark). I would also like to thank the other Grade Coaches, Robert Kiddle and Colin Jones, who helped out as much as they could.

1994 saw a number of innovations started by the Coaching Panel, eg. Videoing of all referees on a regular basis, - Fitness Profiles done on all active referees (done three times through the year), also a New Report System which had some teething problems but were soon ironed out. I would also hope that the 1995 season not only some of these ideas that were done in 1994 continue but with an ever improving system make us better referees than we achieved this year.

I would personally like to thank Brian, Jim, Darren, John, and Michael for there assent and co-operation to make every idea that I put forward work. I hope all Referee's gained something from what we tried to do.

Finally I would like to thank one person who did not gain to much recognition out of the 1994 season. Mark Milham, my right-hand man, he did a incredible job behind the video camera and only thanks to him were Referee's videoed. **“ Thanks from all your Referee mates, Mark”**

I finally close with these comments. If something is not right, then bring it up at training or at a meeting not at a meeting of unhappy referees after training. Remember only one person can referee the A Grade Grand Final, and it is up to each referee to strive for this , if you fail don't blame the person that is trying to help you, look at what you have done during the year.

Yours in Sport

Jim Neal

SOCIAL REPORT

It is with pleasure that I furnish the Social Report for the 1994 Season.

The First function for the year was the Annual Bowling Night, held at Hornsby Bowl. About 30 members and family attended what was yet again a very successful and hotly contested evening. In the Junior Competition it was close but the eventual winner was Joanne Mitchell, Well Done. The Major Men's Competition was taken out by Robert Kiddle, with Kelly completing the rout for the Kiddle Clan by winning the Ladies prize.

Next was the Karoke Night, which is always a favourite and this year did not let us down. With an abortive attempt to take the night back to it's roots in Neutral Bay, due to the closure of that restaurant, it was decided to return once again to the Bambusia Restaurant at Chatswood. And what a night it was! Bob (Roy Orbison) Talbot once again made a guest appearance, but the night truly belonged to Jim Neal and his Grammy winning rendition of "Mary Had A Little Lamb."

The next outing was a dinner at the Kwantung Palace Chinese Restaurant, an excellent meal was provided and a great night was had by all.

The Association held a number of smaller functions through the year, including a visit to the ABC studio's to be a part of the studio audience of "Elle Mcfeasts Live and Sweaty" and a number of BBQ's held on Monday nights at training. These were well patronised by the members and thank you to some of the ladies on bringing the cakes and extra's.

Another function was a BBQ which was held at the Anderson's home. Although only a few members were able to attend a good time was had by all. Thankyou to Jim and Denise for donating your home and time.

Finally to the Annual Presentation and Ladies Night which was held on the 22nd of October in the Kameraigal Room of the North Sydney Leagues Club. Approximately 100 members and guests were able to attend the night. Due to the efforts of the people there I feel that the night was a resounding success and one to remember.

I would like to take this opportunity to congratulate the award winners on the night:-

John Boyle on his A Grade Grand Final

Aaron (Cuddles) Brownlow on winning the Vince Smith Memorial Junior Encouragement Award.

To Stanley W Watson for his 1st Bob Purcell Trophy win

And to my good friend Michael Quaily for his much deserved Life Membership.

Now it is time to thank those who helped me through the year:

Firstly the out-going Social Committee, to Kate Simmons, Narelle Robinson, Joanne Mitchell, Skye Edwards, Illana Budai and Steve Simmons, thank you for your efforts during the year.

To the outgoing Executive Committee, John, Robert, Jim, Michael, Colin, Chris and Bill, thank you for your help, support and confidence you showed in me.

Finally, to Brian Minnett, thank you for your guidance, support and friendship. Without all your help this would have been a much harder job than it was.

I take this opportunity to wish all the Best for Xmas and see you in the New Year.
