General

Peter Filmer spoke to the meeting to provide an update on the merger of the NSW Rugby League Referees Association with the Country Rugby League Referees Association. Unfortunately, the merger between the two Associations has not been undertaken by the

North Sydney District Rugby League Referees' Association Inc.

league, but rather by an independent assessor. Peter suggested that he may not support it and, if so, he would suggest that the members not endorse it. 3 board members from country and 3 from NSWRLRA and 2 'independent' board members. Peter is unsure what 'independent' means. Ultimately, the change shall not impact North Sydney Rugby League Referees Association will not be particularly impacted. Peter spoke warmly of the financial management of the Association (both his and ours) regarding the lack of funding to this season. Grade squad has been told that they will be required to take a pay cut in line with the cuts at the league.

Mr Quailey officially welcomed the life members present at the AGM.

Mr Quailey spoke briefly to the meeting regarding the health of a number of relatives and members. Scot Murray's father is unfortunately not well. Stan Watson is also unwell. Mr Quailey reiterated the Association's condolences to Martin Ryan and his family on the passing of his mother.

Mr McManus asked about the Life Members board at North Sydney Leagues Club. Mr Dumas shall attempt to contact the club about this in the off season.

Mr Quailey and Mr Ryan spoke briefly to provide an update regarding Michael Haynes' wife Clare who has been in hospital and is happily progressing with her recovery.

Mr Atkins also spoke briefly about his family's recent adoption of three kittens as new members of the Atkins family.

Mr Barry asked how many new members have joined the Association this season. Mr Quailey noted that we have 10 new active referees, two of whom are senior. Many of those who have done the F1 course this season decided to concentrate on football instead. We are hopeful that some of those commence refereeing next season. We also lost 10 members unfortunately.

Meeting declared closed at 20:17.

5) Patron's Message

To the Chairman, Board and Members

It has given me great pleasure to again act as Patron of the Association for 2021.

We all had such high hope for the season but, ultimately it was cut short through circumstances beyond anyone's control. Through the difficulties of COVID, it is important that everything is done to encourage and maintain our Junior Membership.

Notwithstanding the truncated season, it was most pleasing to see so many new Juniors commence their refereeing careers this year. I would like to congratulate all members on their achievements in 2021, particularly the juniors, all of whom did an amazing job.

I would especially like to congratulate the winners of this year's Vince Smith Junior Encouragement Award - Bailey Clark and Roy Merrick. It has been a while since joint recipients were declared. This shows the standard that Bailey and Roy have achieved. Well, done to both of you.

I was pleased to learn that the Association will be implementing two new awards for Junior Referees in 2022. I hope that our Juniors will strive to win these awards.

The NRL marked their Women in League Round with special jerseys that carried the name of all female Referees. This was a wonderful initiative, and I had no hesitation in supporting our North Sydney ladies by subsidising the cost of their jerseys.

Again, COVID prevented the holding of the Presentation Night, so I was not able to meet our new and existing members for the second year in a row. Hopefully, we will be able to gather to celebrate the Association's 100th anniversary in 2022 and witness (finally) Wayne Edwards receive his Life Member Blazer.

It is a great privilege to be able to contribute to assist the first-year junior referees start their careers and I look forward to continuing this arrangement in 2022 and beyond.

Elizabeth Quaily

Patron

North Sydney District Rugby League Referees' Association Inc.

6) Chairman's Report

Fellow Members,

Another season of frustrations. Another shortened season at the hands of Covid. No one was prepared for our Season to end so abruptly on the 26th of June. This occurred just when several of our new recruits were getting on the field. It was very disappointing.

At the start of the season, we managed to retain the majority of our 2020 recruits with only two not returning.

Recruitment in 2021 was, simply, outstanding with 17 new referees joining our ranks this year. The wonderful increase in our numbers was due to greater awareness of the Junior League and our clubs through the efforts of our own Ilana Crawford. Ilana, who, in her capacity as a sitting Board Member of the Junior League, enlightened the Junior League Board that if they wished to grow and expand the Junior League, then they must also grow and expand their referee numbers. In 2021 we welcomed:

- Angus Aoutal
- Sid Aoutal
- Tyler Armstrong
- Noah Baxter
- Luke Bentley
- Joseph Birtles
- Leon Burns
- William Doumit
- Jack Evans
- Heath Flower
- Cameron Gins
- Nick Hartgrove
- Jesse Jenkins
- Sam Jones
- Jesse Knight
- Eoghan Lyons
- Ella Summerhayes

Welcome to North Sydney Referees and I hope that you all enjoyed your first season and will return in 2022, eagerly pursuing your refereeing careers.

North Sydney District Rugby League Referees' Association Inc.

This influx gave us 39 Active Members, our highest number for many years. However, it does not immediately solve our biggest problem which is the lack of referees capable of handling International Laws fixtures, particularly Under 13s to Under 15s on Saturdays.

To our 2021 sponsors, thank you for your contributions. Your generosity is greatly appreciated.

- Raine and Horne Hornsby (Primary)
- Fort Knox Home Loans
- Merran Wiggins Personal Travel Manager
- MPM Chartered Accountants

MPM Chartered Accountants joined our sponsorship team this year. Thanks to Michael Haynes and his team at MPM for coming on board.

It is imperative that we, as Members, keep these businesses in mind and avail yourself of their assistance if you require services in the fields they cover. Mention the Association's name, not only for great service and price but doing so can generate additional sponsorship funds for the Association.

One of the most pleasing aspects of the season was the improved attendance at training. And the benefits of this was clearly seen on the field. There is nothing more pleasing for a coach to see what is coached at training being put into practice on the field.

Four of our Senior Members gained their coaching accreditation in 2021 which was great to see. Congratulations to:

- Michael Dumas
- Dylan Guptill
- Nathan Guptil
- James Leane

The Junior League continued expanding in 2021 with a considerable growth in team numbers compared with 2020 (one of the few in NSW to grow).

Just to show how far the Junior League has grown over the last four seasons. In 2018 we were averaging 28 matches a weekend. In 2021, we averaged 50 matches per weekend. But this growth come with additional responsibilities for our members. More matches mean longer days, more grounds in use and Friday Night Footy.

Jon Stone continued to fly the North Sydney flag in the NRL. His outstanding season culminated a Touch Judging appointment to the South Sydney v Manly Warringah Preliminary Final. Congratulations Jon. We are all proud of you.

Bailey Clark and Roy Merrick were most worthy recipients of the Vince Smith Junior Encouragement Award. This is the first time for many years that joint recipients were selected and shows the quality of our Junior Referees. Both have the talent and ability for long and successful refereeing careers.

North Sydney District Rugby League Referees' Association Inc.

Next season, the Association will be implementing two additional awards for our Junior Members. The first is for Meritorious Achievement (similar to the John Quinn Trophy) and will be presented to the most outstanding junior referee each season, who will receive the Michael Quailey Trophy. The second is the Most Improved Junior Referee who will receive the Ryan-Stone-Murray Trophy. The presentation of both/either award is at the Board's discretion. A full list of the criteria for each award was included the Board Minutes, presented at our last General Meeting.

Unfortunately, COVID again prevented us from holding our usual Presentation evening, so we were still unable to present Wayne Edwards with his blazer. Finger's crossed that it will be presented at next year's 100th Anniversary Function.

North Sydney Leagues Club continues to support Rugby League in the District and we thank you for your support.

Now to our Board Members:

- Executive Officer Michael Dumas. Another outstanding year. Michael continues to juggle work and tertiary education while holding down the reigns of Executive Officer where he continued to display the outmost professionalism with his duties.
- Director of Finance James Leane. James continues to show that the Association's finances are in good hands. Thank you, James, for your tireless efforts and devotion to the Association.
- Director of Member Services Ilana Crawford. This was Ilana's first year on our Board and she settled in quickly. Not only did Ilana serve on our Board but also on the Board of the Junior League, the first time that a member of our Association has served on the Board of the Junior League since John Quinn. This was invaluable to our Association as we had a direct voice to the Junior League and Ilana resolutely served our members interest at all times. For her dedication in 2021, Ilana was the most deserving recipient of the John Quinn Trophy, Congratulations Ilana.
- Director of Referee Development Steve Tulinsky. Steve continues to stay on top of My Sideline and as our COVID Safety Officer, makes sure that we all check in at training. Thanks Steve.

To all Board members, thank you and congratulations on your efforts in 2021.

To my wife Lizzie, thank you for your continued support for the Association and for me personally. Your love and support mean so much to me and I could not do this job if not for your generosity and encouragement. Thank you so much.

2022 will be our 101st season as an Association and our 100th Anniversary. Let us sincerely hope that things improve so that we can celebrate this most important milestone and remember everyone who have laid the foundations so that we might enjoy 100 years of service to the great game of Rugby League.

Michael Quailey

Chairman

North Sydney District Rugby League Referees' Association Inc.

7) Executive Officer's Report

Mr Chairman and fellow members,

Once again it is my great honour and pleasure to present to you all the 2021 annual report, which marks the 100th such occasion for our proud and historied Association and one which I most proud to have co-authored.

Sadly, 2021 was again marred by the public health crisis caused by the global Covid-19 pandemic which unfortunately resulted in a premature end to the season at the back end of June. The season itself though, was a success for Norths Referees with our member numbers now higher than at any time since I joined the Association in 2015. To all of our new members, welcome to our Association and to the refereeing fraternity! I feel I speak for the rest of the Board and Members when I say that I hope to see all of you enjoy long and memorable careers in refereeing both here at Norths and beyond.

To those of our referees who are moving on to other pursuits and other Associations, notably Ben and Malcolm who have relocated up to the mid-north coast of NSW, I say remember your time at Norths and don't forget to visit us when next you are in Sydney!

To all our referees and their coaches, the Board of the Association and all involved in the Junior League, I say again a big thank you for your time, patience, and commitment during the lockdown which we all hope will be the last for some time (or at least hopefully the next one won't interrupt the footy season!).

I would like to congratulate all our award winners for this season, in particular to Bailey Clark and Roy Merrick for winning the Vince Smith Junior Encouragement Award! It was well deserved by both of you, and I look forward to seeing your continued growth both on and off the field in Season 2022. I would also like to single out Ilana Crawford for her praiseworthy efforts in representing the Association at the Junior League and for her efforts as the Association Director for Member Services. Ilana is a most worthy recipient of the John Quinn Trophy, and this reflects her hard work over the past year.

Hopefully next season we shall see plenty of our younger members stepping up into higher grades to take on additional responsibilities!

Whilst there was no presentation evening this year, I do look forward to seeing everyone at the convivial and hope to see everyone fit and firing in the new season!

A big thank you as always to my beautiful wife Elissa, for your patience, love, assistance, and support over the season! The Board of the North Sydney District Rugby League Referees Association wishes everyone a restful and enjoyable off season and a Merry Christmas and Happy New Season 2022 in advance!

Michael Dumas

Executive Officer

North Sydney District Rugby League Referees' Association Inc.

8) Director of Finance Report

Dear Mr. Chairman and members

Once again, I am pleased to present the 2021 financial statements and despite yet another disrupted season the Associations balance sheet remains strong. 2021 started out with so much promise our district saw strong growth in participation which saw us more games to cover, we retain many of our sponsors from 2019 – 20 and we saw a many new faces join our ranks and then one cold day in June we had the rug pulled from underneath us. This caused us to cease regular operation and effectively end what was turning out bumper season.

Record growth in the Junior League saw a large increase in games each weekend. As with previous years this stretched our resources quite thin across the district, especially in the older age groups. Despite this we managed as best we could, and it would have been good to see the whole season through as we still managed \$28,143 in match payment, a considerable number for 3 months.

I'd like thanks our sponsors for the 2021 season: Raine & Horne Hornsby (major), Travel Managers, Fort Knox Home Loans and MPM Chartered Accountants. These last two years have been difficult for everyone, and we appreciate their continues support. It makes a huge difference for a small Association, such as ours, to have continued partnerships with local businesses.

Along with this sponsorship we income was boosted by the return of the administration Grant and the Coaching and Development Grant. The administration grant eased the pressure of the upkeep of the Association while the Coaching and Development Grant allowed us to fund Advisors allowances once again.

Our expenses were mostly in line with previous years. The outstanding items being our newest life member's blazer. Though we were able to most fund thus from the prevision we had set aside from 2019. The other being our accounting software. The board has determined that our current offering is not fit for purpose and that we would be better served via more streamlined version.

Sadly, for the second year running we were unable to hold our presentation evening. It's unfortunate that the situation with covid prevented us all gathering to celebrate our achievements throughout the season. It's especially unfortunate that we were unable to properly recognise this year's award recipients. Let's us all hope that next year we will be able to properly celebrate our Association's 100th season.

The Board has had our 100th season in its sight for some time now and have been planning for it. We intend to produce memorabilia amongst other things. If you have any suggestions your input would be welcomed and encouraged.

This season saw a health input of new junior members. I would like to thank our Patron Mrs. Elizabeth Quailey for generously fund the cost of their gear. Her support mean that our new junior members can retain more of their hard-earned match payments.

Community organisations don't run themselves. They require countless hours from volunteers. I would like to thank my fellow board members for their efforts this year. It was a year that saw

North Sydney District Rugby League Referees' Association Inc.

many challenges and it was through their efforts that we were able come through it together.

Lastly, I would like to thank my girlfriend Sarah, her support is greatly appreciated.

I look forward see you all next year.

10) Director of Referees' Development Report

Mr Chairman and fellow members

For the second year in row, we have had a covid affected season with the Sydney lockdown at the end of June abruptly shortening the duration to about 11 weeks and with no finals or grand finals being played. While I'm sure this was a disappointment to all, the health and safety of our members is of the utmost importance.

Again, I would like to say thank you to all our active and non-active members for your fantastic efforts during the year. Given the large number of games each weekend due to a significant increase in the number of local teams this season, our association did very well in delivering its services to the junior league.

Most weekends there were some 60 or so matches to cover. A big thanks to those members and coaches who committed themselves to many long days often starting at 8:00am and not finishing until 6 or 7pm in some instances. This year as with last year, we also had Friday night games to cover. Mid-way through the season, the Metro League was thrust upon us at short notice and somehow, we covered this as well!

I would also like to thank the North Sydney Junior League, the NSWRL and NSWRLRA for their help in being able to get our community rugby league up and running again in challenging circumstances.

This year we had record MySideline registrations with an influx of many new junior members. We were also one of the few associations to be commended by the NSWRL for having all our active members correctly registered and accredited. A big thank you to members for cooperating with our instructions of this issue.

I would particularly like to congratulate joint winner's Bailey Clark and Roy Merrick on attaining the Junior Encouragement award this year. You have both shown tremendous potential and marked improvements on your previous seasons. Keep up the good work!

Attendance at training this season was again excellent for the second year running. I would like to thank all active members and coaches for their efforts in this regard. Improvements in performance of many junior referees was noted and it is a pity the season was cut short. Hopefully 2022 will produce an uninterrupted season with further gains in performance. I encourage all active referees to keep involved and attend training regularly.

Thanks to James Leane, Nathan Guptill and Dylan Guptill for organising and running the physical drills at training. Thanks to Michael Quailey, Ilana Crawford, Graeme Field and Wayne Edwards as always for their coaching input. We also had James Leane, Nathan Guptill, Dylan Guptill and Michael Dumas gain their official coaching accreditations this year. This will be a great asset for next season.

James Leane, Nathan, and Dylan Guptill were also chosen in the NSW referees' junior representative squad and officiated with distinction. We congratulate them on their efforts.

North Sydney District Rugby League Referees' Association Inc.

Special thanks to our chairman, Michael Quailey, and the appointments board (Ilana and Steve). Michael's talent in being able to lead the appointments board while dealing with and resolving problems is amazing as always.

11) Director of Member Services Report

Mr Chairman and members,

Season 2021 started with a bang. We had the highest recruitment of new referees that the association has ever seen. We welcome all of our new referees and their families to our wonderful association. Hopefully we can bring everyone together soon for a social function.

Unfortunately, due to COVID19 we did not have any social functions this year. However, we are planning for a big year in 2022. We are going to have a season launch at Magpies so all our new members and their families can meet each other. We had a record number of new members in 2021 and we have not had a chance for all of our new families to meet all of our other referees and association members.

In recognition of our influx in new junior members, the Association members have voted to bring in two new awards for junior members to strive towards.

We currently have 22 people who are 18 or under for season 2022. This is just over 50% of our active referees for next year. We would like to thank the clubs for assisting in our record recruitment drive.

2022 also marks the Centenary of the Referees Association and we are planning a large end of year function to mark the event. Please keep Saturday 22nd October free in your calendar so we can all celebrate this momentous occasion.

12) Junior League Report

Season 2021 started with a bang. We had huge growth again in North Sydney Junior League, with an almost 50% increase in scheduled games each weekend. We are one of only two Junior Leagues in NSW that are experiencing growth year on year.

This year Lauren Milner, from Berowra, was appointed Chairperson of North Sydney Junior League, this is the first time in the history of the Junior League that we have had a female Chairperson. Congratulations Lauren. David Zimmer, from Willoughby, was appointed Vice Chairperson of the Junior League. This year also marks the first time since John Quinn that the referees have had a representative on the board too.

Junior League business started the year with the resignation of the existing administrator Josh Hyland. We wish Josh all the best on his new endeavours. Josh remained as the delegate to the JLA for North Sydney. Consequently, when the year began, we were without an administrator so the Junior League Board, particularly the new Chairperson Lauren Milner, and Vice Chairperson David Zimmer took over the administrative duties until a replacement was found. Jake Tonnito who also worked with the North Sydney Bears SG Ball team was appointed administrator on 1 February 2021.

Given the enormous growth in the Junior League we had games scheduled regularly on Friday nights, Saturday's, and Sunday's, plus the occasional Wednesday night match. It was a great experience for everyone to play under lights on a Friday night. Game days regularly extended from 08:00 to 18:30 making for very long days for match officials and ground staff.

The Referees' Association together with the Clubs had a concerted effort to increase our Referee numbers. This resulted in our largest ever intake of new junior referees into our ranks. This was an outstanding effort by all of those involved, and it is fabulous to see so many new families become involved in the officiating side of the game too. We hope to see them all again in season 2022.

We say a huge thank you to those referees and coaching staff who made themselves available; for the whole day of games, those who ran on consecutive days, those that made themselves available at late notice for matches and those that officiated any games this year. The Junior League couldn't run without out you.

Unfortunately, on 23 June 2021 the NSW government once again placed restrictions on NSW residents as a response to a new COVID19 outbreak. All sports were placed into a holding pattern, and unfortunately our season did not recommence in 2021.

As a result of the season finishing on 23 June without advance notice, this meant that for the first season in history, no premiers or minor premierships were given for season 2021.

As the official date for the end of season 2021 passed Jake Tonnito tendered his resignation and took up a position as coach of the Picton (Group 6) A Grade team.

On 25 November 2021 Daniel Hutton was appointed as the new Football Operations Manager of the North Sydney Bears, this role also includes the Junior League Administrator role. Due to Daniels existing commitments, he will commence his role on 4 January 2022, but in the interim he will be attending training sessions/trials/events and familiarizing himself with our programs and processes to assist his transition to the role. Daniel has previously held

North Sydney District Rugby League Referees' Association Inc.

coaching positions with the Bears junior rep program and coached at Asquith RLC. He is a qualified Primary School Teacher and holds accreditations as a Senior Club Coach, Level 1 RL Referee and Level 1 Sports Trainer.

Many plans have been made for season 2022 and these will be communicated to members early in the new year.

13) New South Wales Rugby League Referees' Association Delegate's Report

For most of the season, NSWRL Referees' Association and the Country Rugby League Referees' Association were locked in earnest discussions, trying to find a pathway to the amalgamation of the two bodies.

On the 29th of November, at a Special General Meeting, NSWRL Referees' Association passed a new constitution that should facilitate the amalgamation of the two Associations. More details will be known in the new year.

At the local level, our Association is most appreciative of the efforts of Matt Hewitt who managed to arrange for and expedite the payment of the usual grants to us and all Association, both in city and country. Thank you, Matt, for your diligence in facilitating these payments.
