#### **Comments**

When I started in 1995 it was on the recommendation of my Dad who was our team coach at the time. Four of us started refereeing that year from my team and I am the only one still refereeing today.

Of the other three, one is currently playing in the English Super League, one is the captain/coach of Berowra A Grade and the other is playing grade rugby for Gordon. This just goes to show that I was the one that lacked coordination!
